## ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE

- A** A central thoroughfare invites foot traffic, activity, and energy to the plaza, while a much narrower path in front of townhomes is scaled for use by residents.
- B** A welcoming water feature grounds the entry of the plaza.
- C** **GO OutdoorTables** with canopies and **Chipman stools** provide welcoming, shaded and casual gathering places as well as USB charging for mobile devices.
- D** **Presidio benches** create respite spots along path and can also be used as a platform for stretching and body weight exercises.
- E** **Parc Centre tables** and **Parc Centre chairs** adjacent to the water feature provide a casual, acoustically soothing setting for socializing, dining, or working.
- F** **Ashbery pedestrian lighting** and **Ashbery wall mount lighting** create a safe and secure evening ambiance and adds modernized, yet historic character to the area.

## ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE

- G** **Sorella planters** offer a habitat for colorful flowers at retail storefronts to engage visual and olfactory senses.
- H** **Annapolis bollards** define the edges of the plaza for vehicular traffic.
- I** **Poe litters** provide attractive options to conceal and recycle waste.
- J** Generous paved areas in front of retail shops are furnished with **Verona chairs**, **Quad tables**, and **Equinox umbrellas** to create comfortable, shaded space for outdoor dining, resting, and socialization.
- F** **Outdoor charging stations** adjacent to tables and benches provide convenient access to power and USB charging.
