ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE

- A** A Huddle is typically near a Plaza or other hub to facilitate small breakouts from large group gatherings.
- B** This setting is scaled to accommodate multiple group interactions simultaneously.
- C** **Milenio benches** provide ample seating and can catalyze relaxed conversation through more casual seated and reclined postures. Thoughtful bench configurations encourage face-to-face social connections.
- D** **Chipman tables** ground two core interactive areas that support collaborations for small groups.
- E** **Neoromantico seating** facilitates dialogue through relaxed seated postures.
- F** **FGP path lighting** adds ambiance while softening boundaries.
- G** **Reeder illuminated sign** provides campus wide wayfinding and identification of available settings which eases navigation.
- H** Tree Canopy provides filtered shade making the area more comfortable for social connections.
