

# EDUCATION APPLICATION

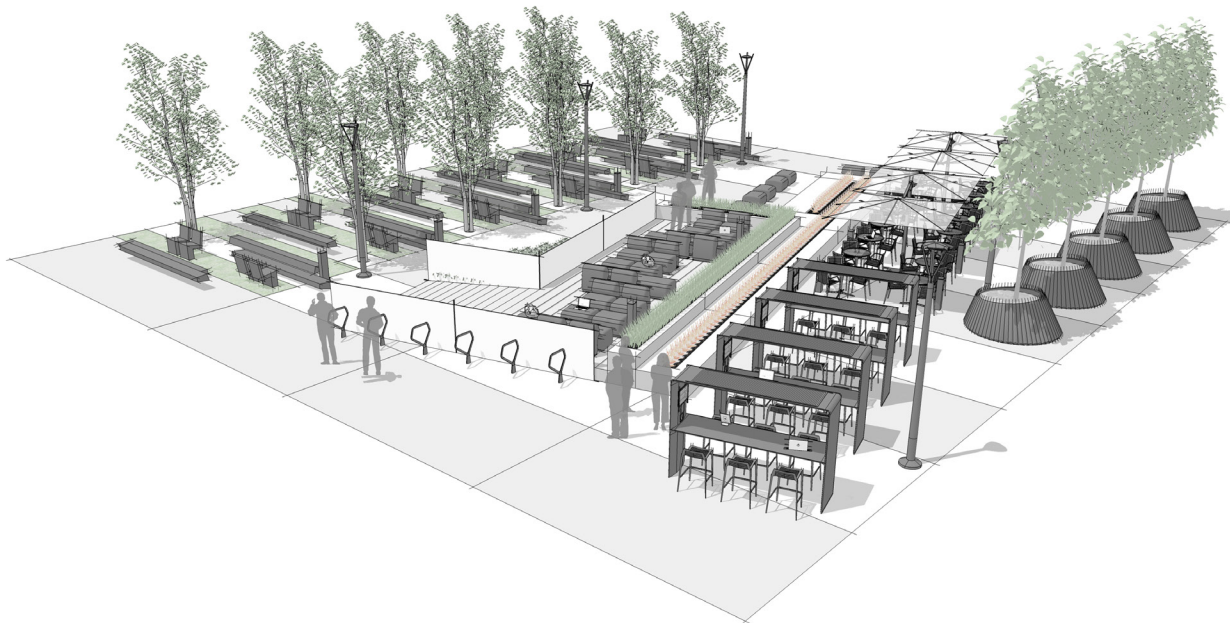

## PLAZA 4 (P4)

VIEW #1

VIEW #2

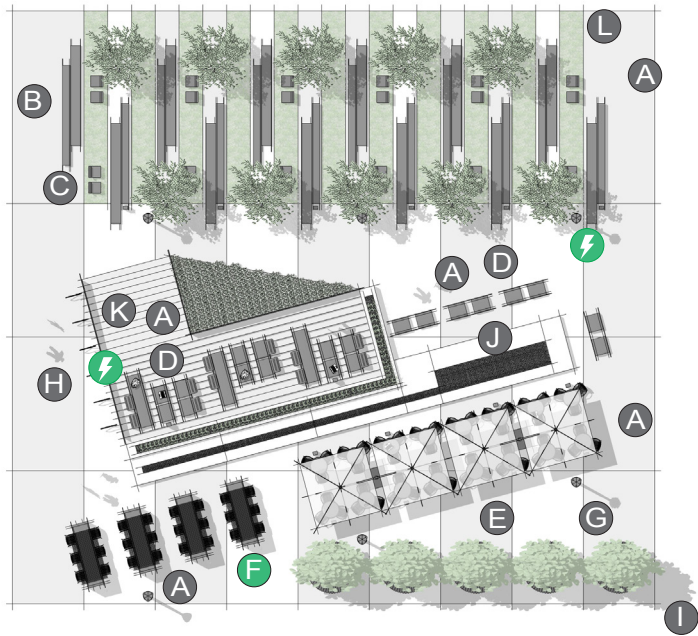

## PLACE: PLAZA

Plaza is a vibrant hub where people gather.

### PRIMARY INSIGHT: INSPIRE CREATIVITY

Connecting individuals or small groups  
to nature inspires creativity.

## ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE

- A** A range of settings provides choice as to where and with whom to socialize.
- B** **Trapezio bench seating** inspires different viewpoints through a variety of postures including seated, perching and reclining positions.
- C** **Silla chairs** are configured to promote face-to-face interactions, catalyzing creativity.
- D** **Fortunato benches** surround the fireplace and raised balcony to create a comfortable, inviting setting that stirs both individual contemplation and informal conversation.
- E** **Chipman tables** and **Chipman chairs** are grouped under **TUUCI umbrellas** to create a sheltered space for working, eating, or socializing.
- F** The **GO OutdoorTable** with canopy and **Chipman stools** give students a comfortable place to collaborate, socialize, work and power up with USB and laptop charging.
- G** **FGP Pedestrian Lights** add ambiance and help to create safe, well-lit public spaces that are usable all day.

## ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE (CONTINUED)

- H** **FGP bike racks** support campus transit by providing secure bike storage.
- I** **Lena Planters** offer a place for flowers or other plant life which engage visual and olfactory senses.
- J** Fireplace (custom element) creates a focal point for the space and inspires a welcoming, home-like feel to reduce inhibitions and stimulate creative thought.
- K** A ramped balcony with a wooden deck (custom element) creates a centralized, relaxed lounge area.
- L** Tree canopies provide filtered shade over the bench area while turf strips deliver a pleasant underfoot experience.
- I** **Outdoor charging stations** adjacent to benches and tables provide convenient access to power and USB charging.
