PLAZA 5 (P5)

VIEW #1

VIEW #2

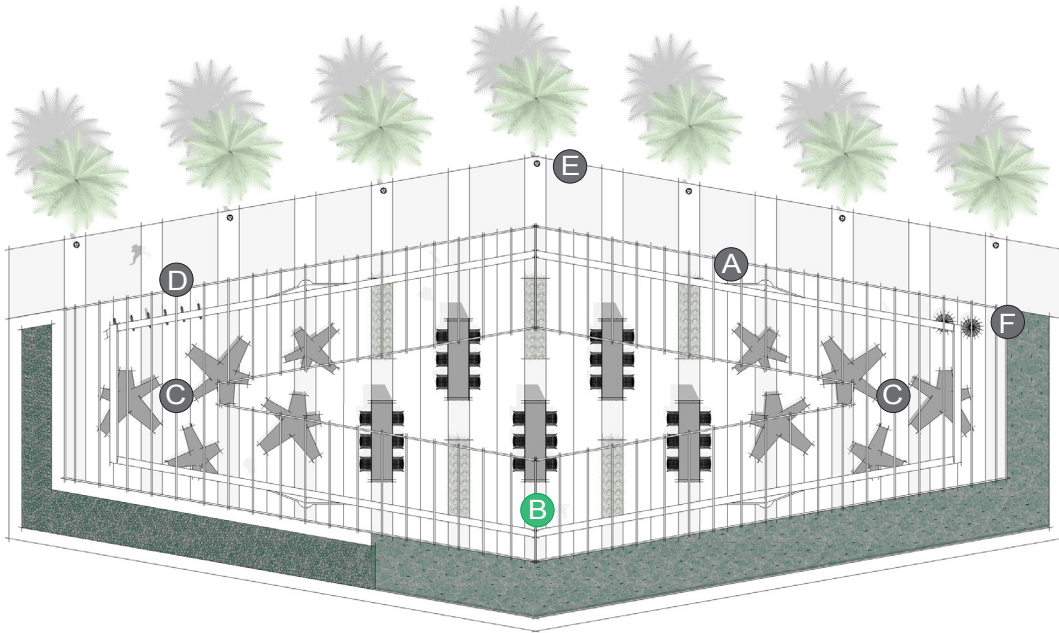

PLACE: PLAZA

A plaza is a vibrant hub where people gather

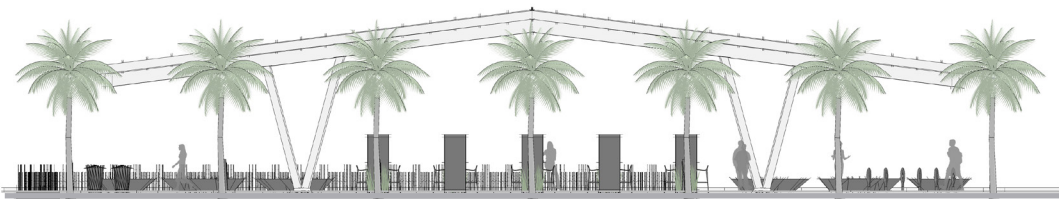

PRIMARY INSIGHT: STIMULATE SOCIAL INTERACTION

Natural postures and settings that encourage face-to-face connections stimulate social interaction.

ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE

- A** A canopied campus plaza creates a destination for students to get together, socialize, learn, and enjoy fresh air.
- B** Canopied **GO OutdoorTables** and **Chipman stools** provide ample surfaces and additional shade for study sessions and informal gatherings while providing students with needed access to USB and standard outlet charging.
- C** **Flor benches** add a sense of spontaneity to the space while sparking social interactions and casual conversations.
- D** **Key bike racks** continue the youthful aesthetic while supporting campus transit by providing secure bike storage.
- E** Lit **Guide bollards** define the plaza perimeter and enhance the sense of place.
- F** **Central Park Conservancy Recycling System** units provide attractive options to dispose of waste and encourage recycling habits campus-wide.
