VIEW #4

LOCATION:
GENERAL HEALTHCARE CAMPUS

PLACE:
COURTYARD

Courtyard is a large, central, and highly visible space in a medical complex that is typically adjacent to a dining area.

PRIMARY INSIGHT:
FACILITATE COMMUNICATION

Settings that encourage informal social exchanges improve communication between patients and providers, which can reduce stress and foster the healing process.

ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE

- A** Generously sized, level paving areas are ideal for wheelchair access.
- B** A wide range of furniture settings offers choice in location, shade levels, and postures for comfort in various types of interactions.
- C** **GO OutdoorTables** with canopies and **Chipman stools** provide patients and caregivers anchored places to meet, discuss and stay powered.
- D** **Socrates benches**, **Chipman tables** and **Chipman chairs** provide comfortable spaces for small gatherings on the sun deck.
- E** **Gus planters with seat inserts**, **Harpo benches**, and **STRATA tables** create areas for small informal social group interactions or intimate discussions.
- F** **Guide bollards** highlight the edge of a central walkway while **Signal pedestrian lights** illuminate a water feature and the outer edges of the courtyard.
- G** **Chipman tables** and **Chipman chairs** offer a place for informal dining, conversation, and respite.
