CARE APPLICATION

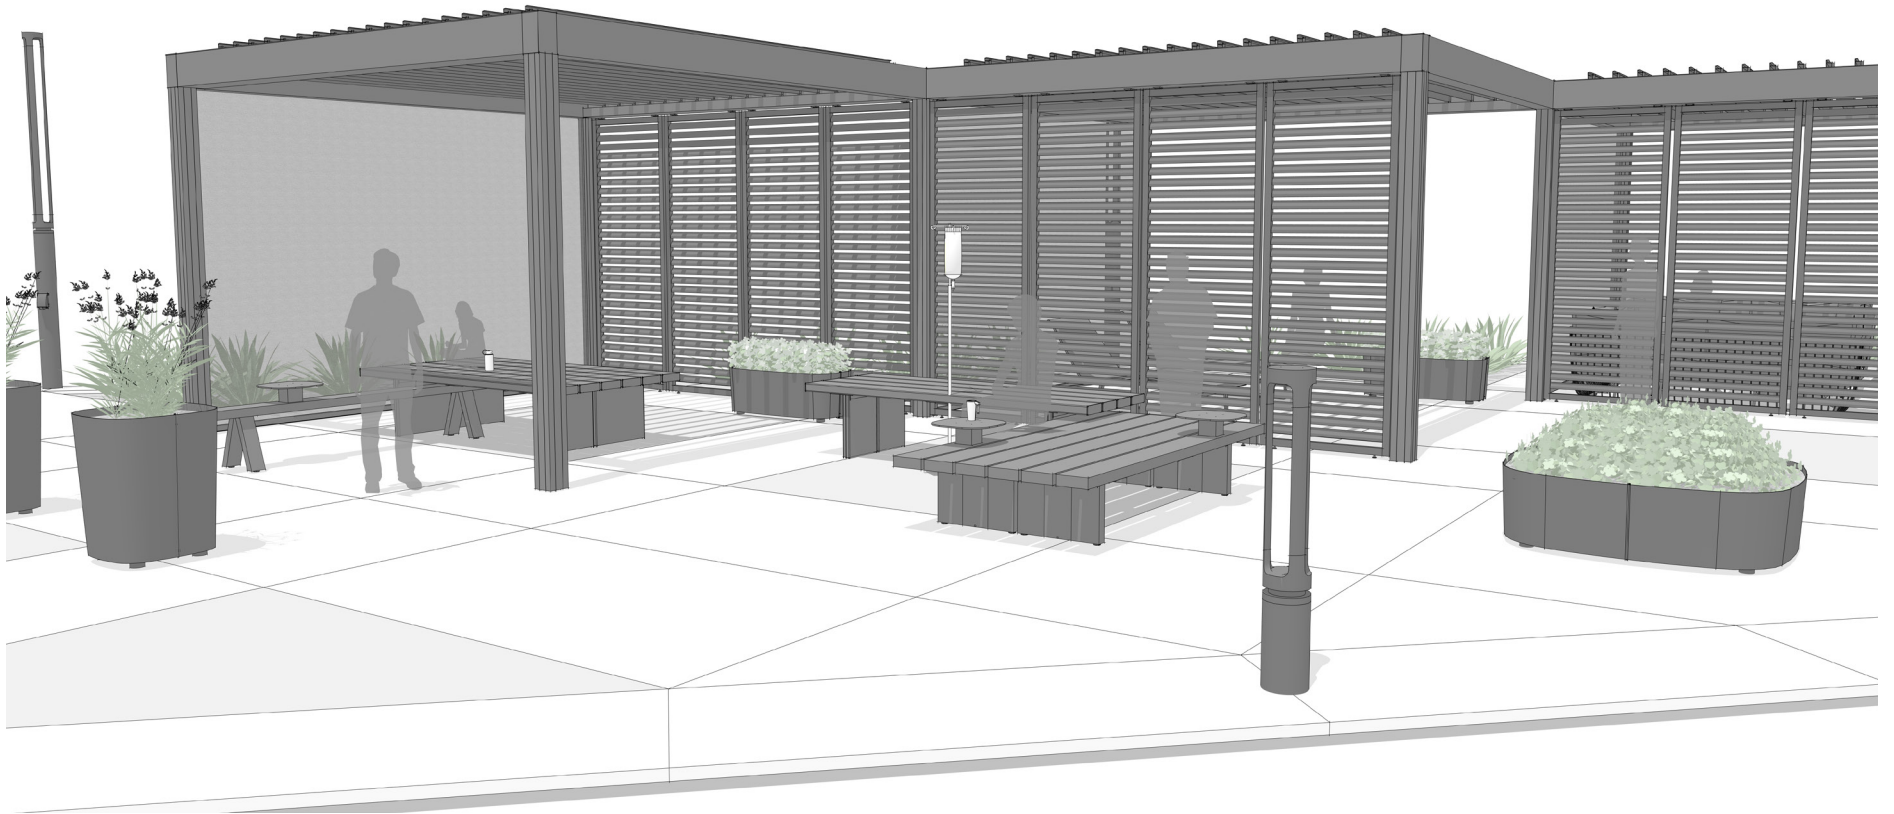

Retreat 2 (R2)

PLACE: RETREAT

A small area of respite where people can contemplate or have a quiet, private conversation.

PRIMARY INSIGHT: NURTURE HEALING

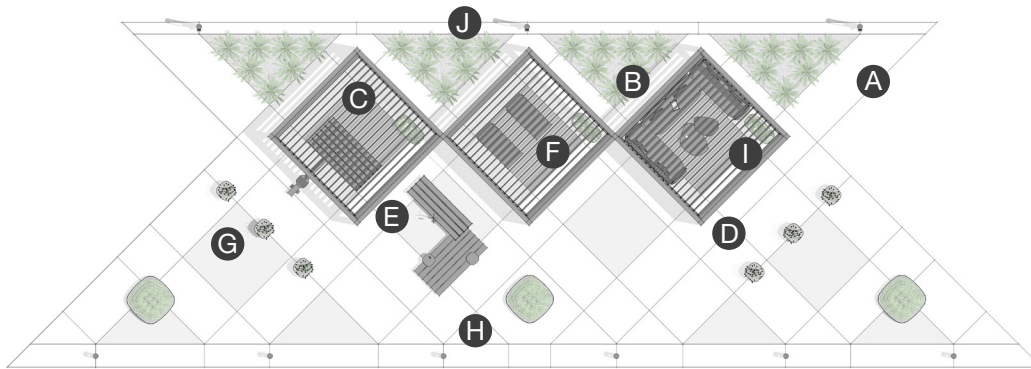

Connect patients, staff, and visitors with natural light and fresh air to nurture healing, provide moments of respite, and establish a healthy mind-body balance.

PLAN

ELEVATION

ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE

- A** Three **Scenic** units with Scenic louvered and fixed screened panels arranged in a diagonal configuration create multiple semi-secluded zones for rest and rejuvenation.
- B** Scenic fixed screen panels paired with landscaping bring natural elements in.
- C** Scenic louvered roofs provide protection from wind and sun; weather management offers control of sun and shade levels and rain protection.
- D** Power can be delivered through Scenic's posts and beams to accommodate lighting and to provide charging access points.
- E** **Plains benches** offer a place to rest during walks on the healthcare campus and allow visitors and people in wheelchairs to be seated together.
- F** **Cochran chaise lounges** offer a reclined posture for staff during a work break or visitors seeking quiet contemplation.
- G** **Pods planters** create a soft boundary in this respite space.
- H** **Outline path lights** illuminate the edge of the walking path.
- I** **Monterey sectional elements** paired with **Cora tables** provide a relaxing and comfortable space for visiting or rest.
- J** **Outline column lights** illuminate the perimeter of the space to provide safety and navigation.
