ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE

- A** A dining setting is adjacent to a cafeteria and supports dining, studying, and socializing.
- B** A wide range of furniture groupings offers students choices of location, shading, and postures.
- C** **Scenic** adapts to the weather conditions with smart, automated louvered roofing.
- D** Scenic louvered panels and screens allow breezes to pass through while simultaneously providing a semi-private experience. The solid wall panels with lighting inserts add privacy, ambient lighting, and atmosphere.
- E** Scenic peninsula tables attach to the structure to create dining and working locations and are paired with **Chipman stools**.
- F** **Harvest tables** and **Harvest benches** offer generous surface area for community dining and studying.
- G** **Gus benches** with **Chipman tables** and **Every Day Chairs** support individual short-term study and socialization.
- H** **Standing height Chipman tables** and **Chipman stools** provide comfortable perching for dining.

ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE

- I Harvest tables and Harvest stools with Disc sun shades provide areas to dine, study, or socialize while being shaded from the sun.
- J Power pedestal charging stations adjacent to tables provide convenient access to power and USB charging ports.
- K Harvest tables with Americana seating provide settings for casual conversation.
- L LINE panels help define the edge of the space.
- M Outline bollards create a soft boundary while illuminating the edges of the setting.
- N Rockford Litter receptacles, placed in convenient locations, help to keep the area free of litter and provide ample capacity.
