ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE

A A Huddle is typically situated near a plaza or larger assembly point to facilitate small breakouts from large group gatherings.

B The furniture configurations encourage collaboration among multiple groups through face-to-face social interactions.

C Scenic adaptive structures create Huddle zones between classroom spaces.

D Scenic louvered panels create a sense of enclosure balanced with an open feel and fresh air circulation. They also shade interiors and maximize privacy to aid in student focus.

E Scenic glass panels provide a markerboard surface for group note-taking.

F Scenic peninsula tables and Chipman stools create a work area to support individual or group learning.

G Scenic posts and beams route electricity to power lights, display monitors, and charging ports.

ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE

H Harvest tables and Harvest benches facilitate collaborative study and comfortable postures.

I Contour tables provide inclusive access and, paired with Every Day Chairs, support individual short-term study and socialization.

J A more relaxed setting is accommodated by a Harvest side table and Americana seating.

K Pods planters provide a habitat for colorful flowers and plants.

L Rockford Litter receptacles, placed in a convenient location, help to keep the area free of litter and provide ample capacity.

M Outline path lights illuminate and define the outer perimeter.
