Streetscape Dining (SD)

PLACE: STREETSCAPE DINING

An area that integrates the vitality of outdoor dining with the pedestrian traffic common to urban retail and residential downtown spaces.

PRIMARY INSIGHT: STIMULATE ACTIVITY

Developing magnetic downtown areas that sustain people, economies, and infrastructures and humanize experiences through fun, play, art, and exploration can stimulate much-needed and desired activity in vital urban areas.

Streetscape Dining (SD)

PLAN

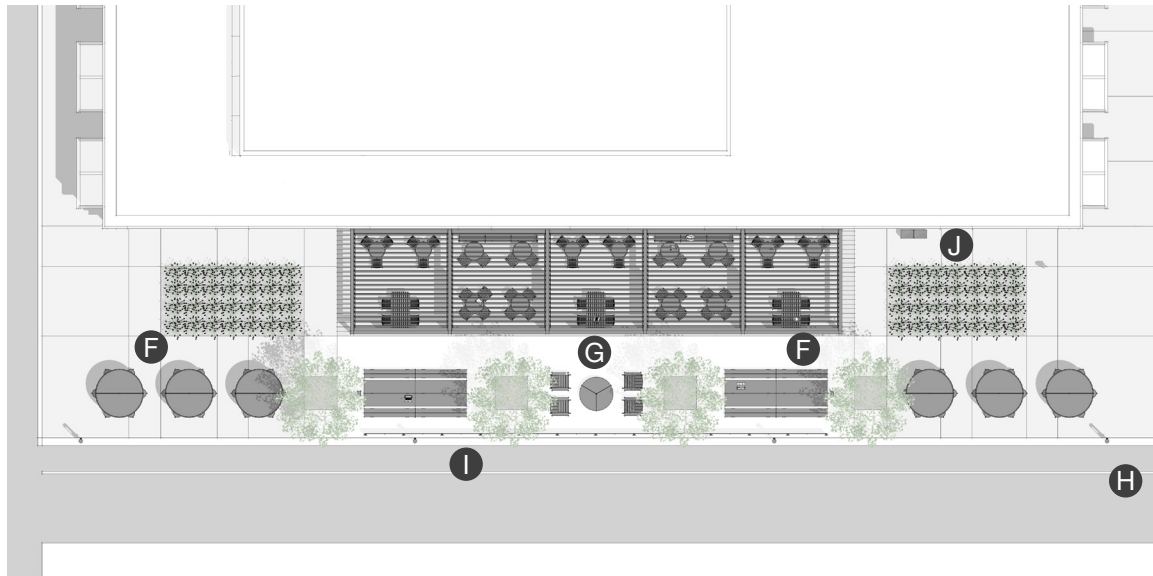

ELEVATION

ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE

- A** Scenic structures form the core of this streetscape dining setting with a variety of seating and dining options both within the structures and along the street.
- B** The automated Scenic louvered roof provides shade when the sun is overhead and opens for evening dining.
- C** Scenic louvered panels and screens allow breezes to pass through while simultaneously providing a semi-private experience. The solid wall panels with lighting inserts add privacy, ambient lighting, and atmosphere.
- D** Scenic peninsula tables and standing height Chipman tables, both accompanied by Chipman stools, offer casual dining options.
- E** Chipman tables with Every Day Chairs and Gus benches provide a more formal dining experience.

ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE

- F** Under the tree canopy, **Harvest tables**, **Harvest benches**, **Harvest stools**, and **Disc umbrellas** accommodate outside dining.
- G** **Harvest side tables** and **Americana chairs** accommodate a more lounge-like experience for patrons.
- H** **Outline column lights** illuminate the streetscape for an extended evening experience.
- I** **LINE** defines the edge of the streetscape and separates the street from the diners.
- J** **Rockford Litter** receptacles, placed in a convenient location, help to keep the area free of litter and provide ample capacity.
