PLAN

### ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE

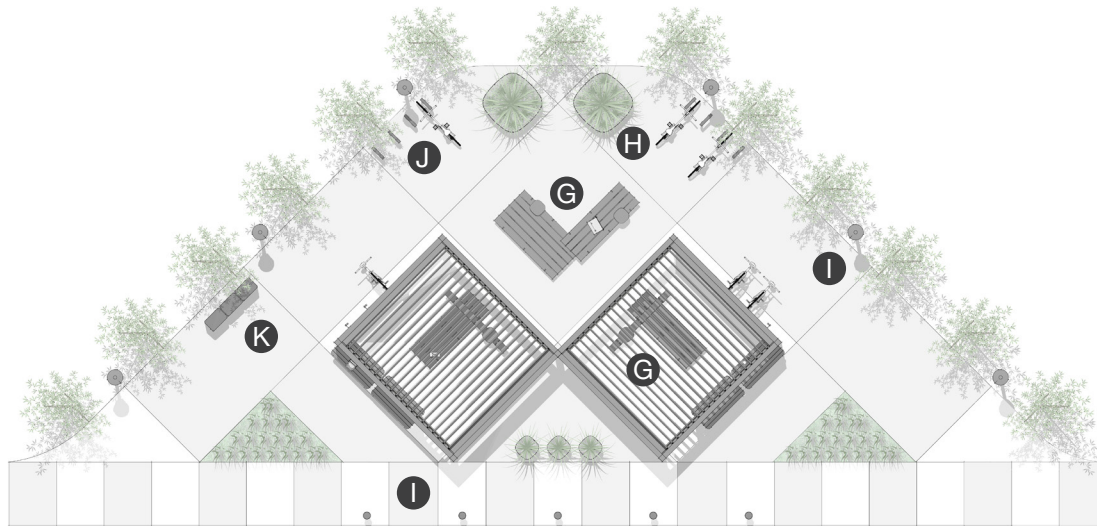

- A** The **Scenic** structure provides transit users with weather protection, seating, surfaces, power, and wayfinding.
- B** The Scenic louvered roof provides protection from wind and sun; weather management offers control of sun and shade levels and rain protection.
- C** Scenic in-line tables offer commuters surfaces for belongings.
- D** Charging access at the Scenic in-line tables is delivered through Scenic's posts and beams.
- E** Scenic solid panels provide a degree of enclosure and protection from wind but still allow views of surroundings.
- F** Scenic glass panels with screened route maps aid wayfinding.

PLAN

### ELEMENTS, ATTRIBUTES, AND USER EXPERIENCE

- G** A variety of **Plains benches** within the station interior offer commuters places to rest themselves and their belongings. Backless benches allow commuters to orient themselves in a preferred direction. Bench work surfaces accommodate additional productivity while waiting.
- H** **Pods planters** introduce color and texture to the hardscape.
- I** **Northport area lights** and **Northport bollards** enhance safety and wayfinding.
- J** **Northport bike racks** offer secure storage of commuters' bikes and keep the station organized.
- K** **Rockford Litter** receptacles help to keep the area free of litter and provide ample capacity.
