

# 21 Lounge Chair

## Product Data Sheet

The kicked back, low-to-the-ground sibling of the 21 Chair, the 21 Lounge Chair leans even further into outdoor comfort and relaxation. With chamfered edges, subtle curves and open arms, every aspect of the 21 Lounge Chair feels like a welcoming gesture — capturing the spirit of togetherness and highlighting everything we love about lounging outside with one another.

### Lounge Chair

- The 21 Lounge Chair is designed to accommodate a variety of postures.
- 21 is a freestanding lounge chair available with arms.
- The frame of the 21 Lounge Chair is formed of steel tubing.
- The seat and back panels are constructed of die-cast aluminum slats.
- Seat pan is 21-inches-wide.
- Seat pan depth is 17-inches-deep.
- Lounges are stackable, up to four high.
- Bumpers/glides are made of tough nylon to resist damage from dragging on rough surfaces.

### Finishes

- All metal is finished with Landscape Forms' proprietary Pangard II polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling and fading.
- The 21 Lounge Chair comes standard in one color but can be customized in color combinations.

### To Specify

- Specify 21 Lounge Chair and select powdercoat color. Lounge Chair comes standard freestanding and ships fully assembled.
