Product Data Sheet

The Every Day lounge chair brings relaxed comfort and casual elegance to the Every Day line. With a lower seat, deeper frame, and extended back and arms, the lounge chair is designed for laid-back outdoor moments while retaining the line's signature visual lightness. All-metal formed and welded construction ensures strength and durability, even throughout frequent stacking and reconfiguration. Sled bases enhance stability across surface types, while the Pangard II® powdercoat provides lasting, vibrant color in outdoor environments.

Lounge Chair

- The Every Day lounge chair is designed to accommodate a variety of postures.
- The Every Day lounge chair is a freestanding chair available with arms.
- The frame of the chair is formed from bent wire and steel strapping.
- Chairs are stackable, up to four high.
- Bumpers/glides are made of tough nylon to resist damage from dragging on rough surfaces.

Finishes

- All metal is finished with Landscape Forms' proprietary Pangard II polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling and fading.
- The Every Day lounge chair comes standard in one color, but can be customized in color combinations.

To Specify
