

# Every Day Stool

landscapeforms

## Product Data Sheet

Offered in high-back and low-back versions, the Every Day stool combines casual sophistication, elevated comfort and effortless adaptability. Ideal for hospitality, rooftop, or campus applications, both styles feature the same formed and welded all-metal construction that defines the Every Day seating line, delivering strength, durability and easy stackability. Sled bases enhance stability across surface types, while the Pangard II® powdercoat provides lasting, vibrant color in outdoor environments.

### Stool

- The Every Day stool is freestanding and offered in high-back and low-back versions.
- The frame of the stool is formed from bent wire and steel strapping.
- Stools are stackable, up to four high.
- Bumpers/glides are made of tough nylon to resist damage from dragging on rough surfaces.

### Finishes

- All metal is finished with Landscape Forms' proprietary Pangard II polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling and fading.
- The Every Day stool comes standard in one color, but can be customized in color combinations.

### To Specify

Specify the Every Day stool, select high-back or low-back style, and choose powdercoat color.

**Designed by Landscape Forms**

	Style	Depth	Length	Height	Weight
	High-Back	21"	25"	43"	26 lbs
	Low-Back	21"	25"	33"	22 lbs
