

Monterey

landscapeforms

Product Data Sheet

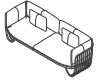

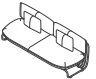

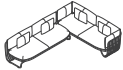

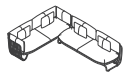

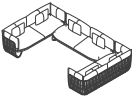

Including a club chair, a sofa and left, right and u-shaped sectionals, Monterey is soft in its forms and soft in its seating surfaces, featuring welded and powdercoated curvilinear metal rod frames that cradle its plush yet durable upholstered seats and backs. The cushions are finished in Summit's Tradewind weather-, fade- and abrasion-resistant performance fabric that elegantly comes together in French seams and hidden zippers. Monterey is offered in a range of colors for the fabric and frame, and accommodations can be made for custom materials and color combinations to create immersive and cohesively branded outdoor environments.

Club Chair

- Features welded and powdercoated curvilinear metal rod frames that cradle plush yet durable upholstered seats and backs.
- Upholstery composed of Summit's Tradewind weather-, fade- and abrasion-resistant performance fabric.
- Tradewind fabric is composed of 100% acrylic fiber and available in (8) standard colors - Tide Pool, Bark, Breeze, Feather, Terracotta, Cove, Sky Mist, Moss.
- Chairs come standard with arms.
- Cushions utilize elegant French seams and concealed YKK Ziplon metal pull zippers.
- Cushion internals are composed of polyurethane foam and polyester fiber.
- Side/Back cushions are connected to the frame with a metal snap attachment.
- Seat cushions attach to the frame with a fabric hook and loop attachment.
- Each back cushion receives an accessory pillow, with an option for additional pillows to purchase.
- Accessory pillows can be specified a different fabric color than the seat/back/side cushions.
- Glides are made of tough nylon to resist damage from dragging on rough surfaces.
- Optional light grey weather cover available to purchase.
- Weather cover contains straps, buckle and vent.
- Available freestanding only.

Sofa

- Features welded and powdercoated curvilinear metal rod frames that cradle plush yet durable upholstered seats and backs.
- Upholstery composed of Summit's Tradewind weather-, fade- and abrasion-resistant performance fabric.
