

Basic Bench

Product Data Sheet

Crafted solely from cast and extruded aluminum, Basic benches and tables strike an ideal balance between comfort, lightness and robust construction. Composed of softly rounded extruded aluminum slats firmly affixed by two symmetrical die-cast aluminum support structures, the line is ideally suited for outdoor spaces where the need for adaptability is joined by the demands of heavy use and adverse weather conditions. The benches include backed and backless styles, and the whole line is offered in a range of colors finished with Landscape Forms' proprietary Pangard II® polyester powdercoat, a hard, yet flexible finish that resists rusting, chipping, peeling and fading.

Bench

- Basic is a durable and flexible line of tables and benches.
- Benches are composed of cast aluminum with a powdercoat finish.
- Basic benches are available in two lengths, 23" or 59".
- Benches are available with or without arms based on bench style specified.
 - Backed benches are standard with arms.
 - Backless benches are standard without arms.
- Seat height for benches is 18".
- Benches are only available freestanding.

Finishes

- All metal is finished with Landscape Forms' proprietary Pangard II polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling and fading.
- A wide range of standard, optional and custom colors are available.

To Specify

- Specify Basic bench, select bench style and powdercoat color.
- Benches come standard freestanding and do not ship fully assembled.

Bench	Style	Depth	Length	Height	Weight
	23" backless without arms	16.5"	22.75"	18"	16 lbs
	59" backless without arms	16.5"	59"	18"	37 lbs
	23" backed with arms	23.25"	22.75"	31"	24 lbs
	59" backed with arms	23.25"	59"	31"	56 lbs
