

Basic Table

Product Data Sheet

Crafted solely from cast and extruded aluminum, Basic benches and tables strike an ideal balance between comfort, lightness and robust construction. Composed of softly rounded extruded aluminum slats firmly affixed by two symmetrical die-cast aluminum support structures, the line is ideally suited for outdoor spaces where the need for adaptability is joined by the demands of heavy use and adverse weather conditions. The benches include backed and backless styles, and the whole line is offered in a range of colors finished with Landscape Forms' proprietary Pangard II® polyester powdercoat, a hard, yet flexible finish that resists rusting, chipping, peeling and fading.

Table

- Basic is a durable and flexible line of tables and benches.
- Basic tables are composed of cast aluminum with a powdercoat finish.
- Tables are available in two lengths, 60" or 81"
 - The 60" table, seats 4-6.
 - The 81" table, seats 6-8.
- Tables are available only freestanding.

Finishes

- All metal is finished with Landscape Forms' proprietary Pangard II polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling and fading.
- A wide range of standard, optional and custom colors are available.

To Specify

- Specify Basic table, select table style and powdercoat color. Tables come standard freestanding and do not ship fully assembled.

Table	Style	Depth	Length	Height	Weight
	4 slat, 60" table	32"	59.75"	28.5"	69 lbs
	4 slat, 81" table	32"	81.5"	28.5"	87 lbs
	5 slat, 60" table	40"	59.5"	28"	82 lbs
	5 slat, 81" table	40"	81"	28"	103 lbs
