

Abril

Product Data Sheet

Freestanding backless Abril is a universal abstract element that punctuates and organizes space and relates well to the land and the horizontal plane of the built landscape. The thinner form of the seat slab contrasts with the thickness of the end supports, emphasizing the wide span between.

Bench

- Abril is constructed as a frame with a minimum seat depth that contrasts with the thickness of its supports, emphasizing the large span between them.
- Its weight allows freestanding installation.
- Abril benches are backless, and made of Reinforced Cast Stone.
- Abril is offered in an acid-etched/waterproofed finish, and comes standard in Grey, Black, White, and Beige.

Material

- Cast stone that is poured and cast over a stainless steel bar cage built to fit within the walls of the mold.
- Cast Stone makes it possible to cast thinner, irregularly shaped forms while retaining appropriate strength.
- The colors of Escofet cast stone products are neutral, muted and earth-toned and are derived from the aggregates used in casting, with the exception of the black.
- No color is added in manufacture and no color is applied to finished products, except for the black.
- The color range of every Escofet cast stone product (except for black) is predetermined by the formulation used in its manufacture.
- Cast stone products do not require any specific maintenance during their estimated lifespan of more than 30 years, but resealing may be necessary.
- Water absorption and freeze-thaw cycles can cause weathering, a reproduction of the process that takes place in natural rock. Escofet applies a waterproof finish to its products to protect against this process. The sealant on the black product is a tinted black.
- Escofet cast stone products are large and heavy.
- Shipping, receiving, staging and installing these pieces is more akin to handling large statuary or pre-fabricated architectural elements.
- See installation guide for important information.

	Depth	Height	Length	Weight
	30"	18"	117"	2,425 lbs

Product Warranty

- ESCOFET warrants the durability of its product to Landscape Forms for a period of five (5) years from the date of invoice.
- The warranty covers the repair or replacement of the product or components at no charge.
- Notwithstanding, this warranty does not cover damages to ESCOFET products resulting from unloading; handling; installation; abuse; exposure to paint, liquids or corrosives; or any other damage not attributable to ESCOFET.
- The warranty shall also be void if ESCOFET products are tampered with, handled, removed or modified by persons not authorized by ESCOFET; or if the product has not been properly maintained by the customer.

To Specify

- To order specify Abril bench and standard color.
- Benches are freestanding.
- Visit landscapeforms.com for standard color options.
