

Binocular

landscapeforms

Product Data Sheet

Binocular's design is a playful reference to field glasses. The benches provide both shelter and views that are sized to fit individuals and pairs. Metal structures raise the benches slightly, making them appear to levitate in the landscape. Binocular is made of reinforced cast stone.

Bench

- Binocular is a bench with a shelter component.
- Closed configuration of the bench allows for coverage from the elements.
- Made of reinforced cast stone, Binocular is available in Escofet's standard colors.
- Bench is supported by metal legs attached to the back and bottom portion of structure.
- Binocular must be surface mounted.

Material

- Reinforced Cast Stone is cast stone that is poured and cast over a stainless steel bar cage built to fit within the walls of the mold.
- Reinforced Cast Stone makes it possible to cast thinner, irregularly shaped forms while retaining appropriate strength.
- The colors of Escofet cast stone products are neutral, muted and earth-toned and are derived from the aggregates used in casting.
- No color is added in manufacture and no color is applied to finished products.
- The color range of every Escofet cast stone product is predetermined by the formulation used in its manufacture.
- Cast stone products do not require any specific maintenance during their estimated lifespan of more than 30 years. Water absorption and freeze-thaw cycles can cause weathering, a reproduction of the process that takes place in natural rock.
- Escofet applies a waterproof finish to its products to protect against this process.
- Escofet cast stone products are large and heavy.
- Shipping, receiving, staging and installing these pieces is more akin to handling large statuary or pre-fabricated architectural elements.
- See installation guide for important information.

	Depth	Height	Length	Weight
	57"	88"	103"	4,332 lb

Product Warranty

- ESCOFET warrants the durability of its product to Landscape Forms for a period of five (5) years from the date of invoice.
- The warranty covers the repair or replacement of the product or components at no charge.
- Notwithstanding, this warranty does not cover damages to ESCOFET products resulting from unloading; handling; installation; abuse; exposure to paint, liquids or corrosives; or any other damage not attributable to ESCOFET.
- The warranty shall also be void if ESCOFET products are tampered with, handled, removed or modified by persons not authorized by ESCOFET; or if the product has not been properly maintained by the customer.

To Specify

- To order bench, specify Binocular and select standard color.
- Binocular is surface mounted.
- See materials/color sheet for Escofet's standard color options.
