Urbidermis Powdercoated Metal

Urbidermis products feature three exclusive low sheen and gloss powdercoat colors—Aluminum, Aluminum Silver, Black, Dark Grey, Dusk, and Light Grey—chosen to accentuate the modern, minimalist design language for which the firm is known. These exclusive colors utilize the same material composition and application process as Landscape Forms' Pangard II® Polyester Powdercoat, a hard, yet flexible finish that resists rusting, chipping, peeling and fading.

Powdercoated Metal

Powdercoated Metal Pangard II® Polyester Powdercoat is a hard, yet flexible, finish that resists rusting, chipping, peeling and fading. In addition to colors shown, a wide selection of optional and custom colors may be specified for an upcharge.
