

Lo-Glo Path Light

landscapeforms®

Product Data Sheet

Designed in collaboration with BMW Group Designworks the Lo-Glo™ path light is a headliner in the Metro40 collection. Lo-Glo™ elevates the design vocabulary for outdoor lighting and provides light that is appropriate for its application. A key note of the design and source of its distinctive aesthetic is the mobius strip frame. The vertical frame rises from the base, twists gracefully on its axis to form a shade and then flattens again as it makes its trajectory toward the ground.

General Description

- Cast aluminum LED cartridge and structure; stainless steel base plate
- Surface mounted with optional paver adapter
- Base plate mounting template included
- International Dark-Sky approved
- UL Listed, suitable for wet locations

Electrical

100V-277V 50/60 Hz, Class 2 LED driver mounted within integrated cast aluminum base cabinet. LED cartridge with weatherproof quick-disconnect provides ease of serviceability. Lo-Glo ships prewired and fully assembled.

Lo-Glo™ Path Light

Distribution: Type 4

CCT: 2700K, 3000K, 3500K, 4000K

Drive Current: 250mA

Optic: Khatod Collimators

Lens: Diffused Acrylite®

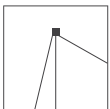

Power Supply: 100V-277V

LED Driver: 7W

IP Rating: IP66 for LED Cartridge

Weight: 22 lbs

Distributions
