

Morrison

landscapeforms

Product Data Sheet

Elevate the many dimensions of terrace life. Transform a terrace or roof garden into a gallery with the addition of fine art in the form of Morrison tables and stools. Designed by renowned modernist architect Lionel Morrison, the table frames appear to float, creating an ethereal quality balanced by the strength and texture of wood or metal surface inserts. Seamless connections and flawless finishes further define Morrison's timeless artistry. Standing-height rectangular and square tables, dining-height square tables, lounge-height square tables, and powder-coated metal stools elevate the formal and informal experiences happening in protected public outdoor spaces.

Table

- Table offered in three heights – lounge (15"), dining (31"), or standing (40").
- The 40" x 80" and 40" x 40" dining tables are ADA compliant.
- Morrison tables are available in square and rectangular sizes.
- Available without inserts, so the customer may choose locally available materials as a special order.
- Only square dining height tables may be specified with an umbrella hole.
- If square dining unit is specified with an umbrella hole, the table must be surface mounted.
- Some assembly required for some product variations.
- All supporting frames are powdercoated aluminum.
- Unit can be freestanding or surface mounted.
- Freestanding units come with pre-installed hard nylon glides for adjustable leveling.

Standing Height (Rectangle)	Style	Depth	Length	Height	Weight
	metal inserts	40"	80"	40"	192 lb
	wood inserts	40"	80"	40"	144-170 lb*
Standing Height (Square)	Style	Depth	Length	Height	Weight

Product Data Sheet

Stool

- Stool insert available in wood or metal.
- Available without inserts, so the customer may choose locally available materials as a special order.
- All supporting frames are powdercoated aluminum.
- Stools come standard freestanding with pre-installed hard nylon glides.

Finishes

- Interior woods are finished with Landscape Forms' exclusive LF-80 wood finish, a clear, catalyzed acrylic lacquer.
- Exterior woods are unfinished and will weather to a soft pewter gray, requiring no future maintenance.
- All metal is finished with Landscape Forms' proprietary Pangard II® polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling and fading.

To Specify

- Morrison Table— Specify Morrison Table, select style (dining, standing, lounge) and, if applicable, shape (square or rectangular). Choose insert (wood or metal), powdercoat color and, if applicable, wood type. Select optional umbrella hole if square table is specified, and choose mounting (freestanding or surface mount). Tables ship fully assembled.
- Morrison Stool – Specify Morrison Stool and select insert (wood or metal). Choose powdercoat color and, if applicable, wood type. Stools come freestanding and ship fully assembled.
