

Parallel 42 Terraced Bench

landscapeforms

Product Data Sheet

Parallel 42 terraced bench serves as a simple, elegant solution to welcoming a wide range of postures in outdoor space — from sitting, leaning and working on a laptop, to perching, stretching out and putting your feet up. Compatible with all 30° Parallel 42 modules, terraced seating further redefines the traditional bench experience, welcomes new interactions, and helps people feel truly at home outdoors.

Terraced Bench

- As part of the Parallel 42 product line, the terraced bench can work as a stand-alone unit or be configured with several other Parallel 42 products to meet a wide variety of applications.
- Terraced benches are constructed of exterior wood, powdercoated metal supports, and optional backrests, center arms, lighting and power.
- Wood options include Kebony® Dually Modified™ Wood, domestically source thermally modified ash (DSTMA), jarrah and lpe.
- Units can be freestanding or surface mounted.
- Backrests are available on the Left 30° and Right 30° terraced benches. Backrest styles include straight, wedged, left angle, or right angle.
- A center arm can be added on the lower terrace, upper terrace, or both terraces.
- Terraced benches can be configured with all Parallel 42 planters.
- Terraced benches can be configured with other terraced benches, as well as with non-terraced Parallel 42 benches with a 30° angle.

Illumination and Power Kit

Optional illumination and/or power is available with all Parallel 42 benches.

- Power
 - A power garage can be added to the left, right, or both ends of the bench.
 - Each outlet is a UL listed 20A GFCI receptacle with 1x USB C and 1x USB A port.
 - Power garages are offered in bronze, gray and white. Garage color is determined by bench powdercoat color.
- Illumination
 - Lights are installed on both the front and rear sides of the bench.
 - 1.5W/ft
 - 30K temperature
 - Translucent lens
 - 30W dimmable drivers provided with each bench.
 - 120-277VAC Input, 24VDC Output
 - 0-10VDC or phase control for dimming (down to 0.1%)
 - LED lights remain constantly lit.

Benches					
	Style	Depth	Length	Height	Product Weight
	30° Left	35"	87"	30"	372 lbs

Center Arm				
	Depth	Length	Height	Product Weight
	3.5"	13.5"	7.75"	15 lbs

Parallel 42 Terraced Bench

Product Data Sheet

Finishes

- All metal is finished with Landscape Forms' proprietary Pangard II polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling and fading.
- Exterior woods are unfinished and will weather to a soft pewter gray, requiring no future maintenance.
- Kebony® Dually Modified™ Wood uses a bio-based liquid to significantly enhance the wood's strength, hardness and longevity, achieving the performance of a tropical hardwood while lessening environmental impact.

To Specify

To specify Parallel 42 Terraced Benches, select bench style, wood type and powdercoat color for supports. Select optional metal backrest and style (color is standard to match supports), and optional center arm(s) and powdercoat color for arms. Select optional Illumination and Power Kit. If applicable, choose the location of the power garage(s). Parallel 42 can be specified freestanding or surface mount. All units ship fully assembled.
