Parc Lounge raises the Parc Centre collection to new heights

Parc Lounge and its companion ottoman support a relaxed attitude in great style. An elegant sweeping back curve provides just the right balance between lounging and upright positions, so sitters can lean back and still carry on a conversation, read or work on a laptop. Parc Centre line is a movable outdoor furniture by designer John Rizzi are visually light, structurally strong and very versatile.

Garden party tasteful...
college campus tough

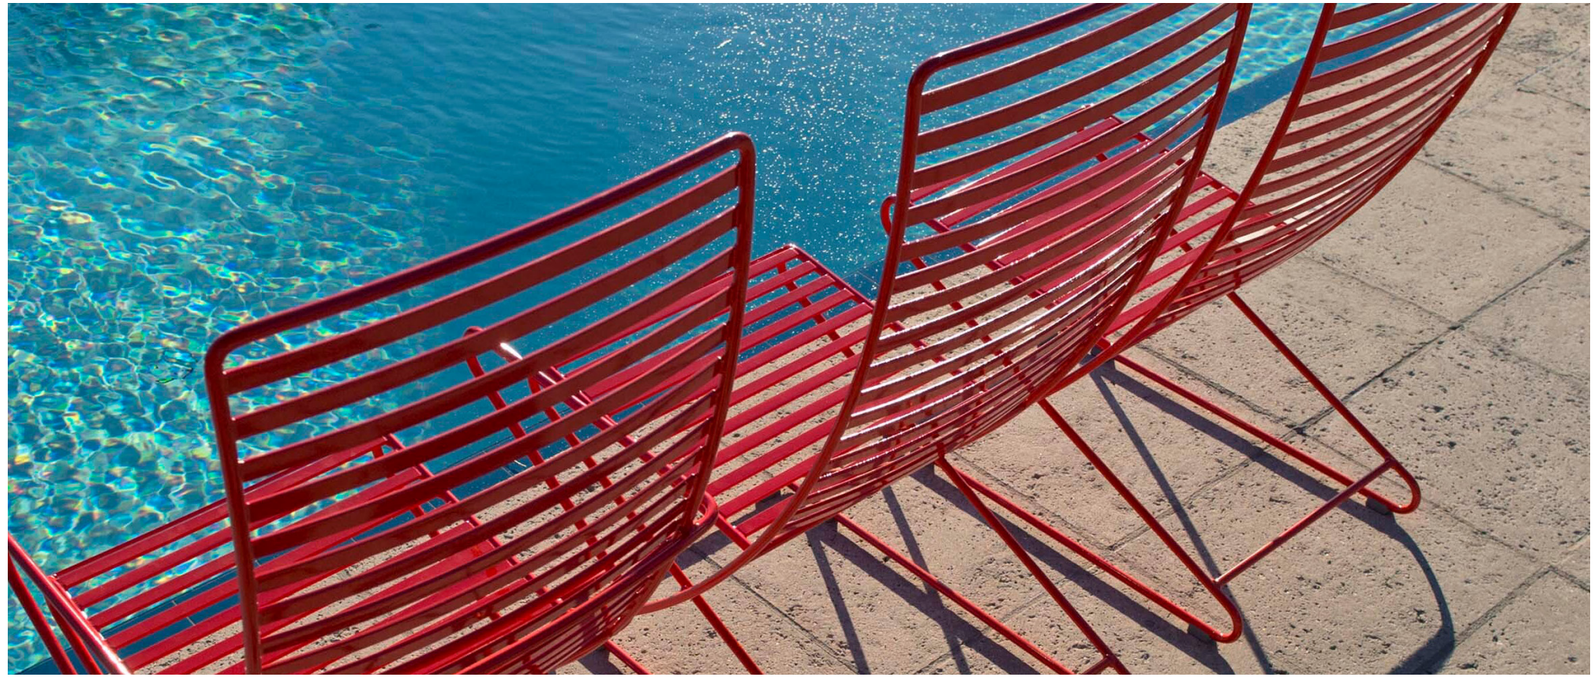

Parc Centre chairs, tables, and lounges comfortably support social activities in formal and informal settings alike. Steel construction coupled with economy of form make them nimble enough to move around and heavy enough to hold their ground. Sled bases are stable on grass, gravel or hard surfaces. Seats have a pleasing bounce. Chairs, lounges and ottomans stack.
