Parc Centre

Product Data Sheet

landscapeforms

The Parc Centre chair is a clever riff on the Parisian outdoor standard, offering comfort with a pleasing bounce. Parc Centre chairs, tables, and lounges comfortably support social activities in formal and informal settings alike. Steel construction coupled with economy of form make them nimble enough to move around and heavy enough to hold their ground. Sled bases are stable on grass, gravel or hard surfaces. Seats have a pleasing bounce. Chairs and lounges stack.

Chair / Lounge

- The frame of Parc Centre is formed of heavy steel wire.
- Powdercoated seating is offered armless, or with arms, is lightweight and stacks horizontally.
- The seat and back panels are constructed of welded steel straps.
- Stacking bumper/glides are made of tough nylon to resist damage from dragging on rough surfaces.

Table

- The Parc Centre table is available in three sizes: 24" round, 30" round, and 28" square.
- Tabletops are formed of solid 5/16" steel plate welded to heavy duty steel wall tubing support.
- Base plate is 17" diameter solid steel.
- All parts are powdercoated.
- Table is available as either a surface mount or freestanding with adjustable levelers.

Finishes

- All metal is finished with Landscape Forms' proprietary Pangard II® polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling, and fading.

To Specify

- Table Select table size and style, and powdercoat color.
- Specify surface mount or freestanding.
- Seating Select chair or lounge with arms, or armless, and powdercoat color.

Designed by John Rizzi
