

Parc Vue

landscapeforms®

Product Data Sheet

The landmark collection was inspired by familiar themes in historic design, architecture and nature. Designer John Rizzi took his inspiration from traditional cast iron furniture and asymmetric patterns in nature. The Parc Vue bench achieves a delicate balance between the strength and lively gesture of its frame and the perceived lightness and linear order of its slatted seat. It is a sculptural form that has what Rizzi calls “traditional roots and its own dynamic presence.” In the companion curved and mesh-caged Parc Vue litter receptacle, the designer combines historic reference and contemporary manufacture in an elegant utilitarian object suited to a variety of settings in urban environments.

Bench

- Horizontal strap seat style is standard for backed or backless benches.
- Bench is available in 72" length.
- End arms are available for backed bench and are welded to the end frame.
- Support end frames are of 3/4" steel.
- Seating surface is made of horizontal steel straps (1-1/2" x 3/16"), which are welded to the end frames.
- Parc Vue bench may be specified freestanding with glides or surface mount with anchor tabs.

Litter Receptacles

- Receptacles with liner have 30 gallon capacity; 40 gallon without liner.
- Cast iron base and wire mesh basket comes standard in all powdercoat colors.
- Top-opening or side-opening lid available in rotationally molded polyethylene, and attaches to basket with cable.
- Optional polyethylene urn-shaped liner and lid come in two standard colors (fog and black) to coordinate with wire mesh basket.
- Base has a center hole for optional surface mounting.
- Contact your Landscape Forms representative for details on clear plastic bag option.

	Style	Depth	Width / Length	Height	Weight
	backless	22"	72"	18"	107 lb
