

# ROSA™

## Product Data Sheet

Plants and planters play a critical role in the success of outdoor spaces. That's why Landscape Forms offers Rosa. Made from lightweight polyethylene (LMPDE), Rosa planters are affordable, inexpensive to ship and easy to work with on site. Ideal for high traffic areas, they won't chip or crack, and they're resistant to UV rays, moisture, corrosive substances and extreme temperature changes.

### Planter

- Rosa planters may be specified freestanding or surface mount, with or without drain hole.
- View colors on our website or call for a color chart.
- Aggregate color incurs an upcharge.
- Custom aggregate colors not available.
- Custom solid colors available for an upcharge.

### To Specify

- Select Rosa planter, size dimensions, freestanding or surface mount, with or without drain hole and color.
- To specify a custom color, call Landscape Forms.
