

landscapeforms®

tables

Classic shapes in a choice of sizes.
Materials and finishes to suit the use.
Tops and bases that mix and match.
Design details that please the eye.

Landscape Forms tables are durable, weather-resistant furniture solutions for courtyards, campuses and cafes, parks and private outdoor settings. Stainless steel Catena tops have a handsome random-patterned matte finish and smooth, rolled edge. Steelhead tops sport a tubular frame that lends them a distinctive profile. Marneaux tops, made from a 100% acrylic resin solid surface, are good looking and scratch-stain- chip- and crack-resistant. Four base styles enable tables to be freestanding, surface-mounted or embedded, to meet individual project requirements. All tables work and play well with Landscape Forms chairs for outdoor environments.

Landscape Forms brings
a lot to the table.

Our Purpose Is To Enrich Outdoor Spaces

We believe in the power of design and its ability to elevate experience and help create a sense of place in public environments. Our high quality products and outstanding customer service have earned us a reputation as one of the world's premier designers and manufacturers of outdoor commercial furnishings.

Tables Specifications

Table Tops

Catena and Steelhead Metal Tabletops. Catena and Steelhead tabletops are formed of heavy gauge steel with reinforced steel channels beneath. Catena features a rolled edge and is available in 30", 36" or 42" diameters, in powdercoat or stainless steel metal. Square sizes available in 30", 36", and 42". Steelhead is available with a solid or perforated metal tabletop framed by a 1-1/2" diameter tube. Steelhead is available in 36" or 42" diameters. Perforated metal top available in 42" diameter only.

Marneaux® Solid Surface Tabletops. Marneaux tabletops are made from a 100% acrylic resin solid surface material. It's been a designer-preferred material for countertops because it resists scratching, staining, chipping and cracking. Weather, harsh chemicals, and UV rays have virtually no effect on the "through-body" color or structural integrity. Marneaux is available in 24", 30", 36" or 42" diameter; 30" or 36" square; and 30" x 24" or 30" x 48" rectangle.

Supports

Embedded, freestanding, surface mount, or quad support options may be specified. Supports are formed of metal. Catena base is formed of cast iron. When umbrella is specified with a table, support must be surface mounted or embedded to safely anchor table. When metal umbrella is specified, all tables must surface mounted. Quad supports with a 42" square table must be surface mounted.

Finishes

All metal parts are finished with Landscape Forms' Pangard II® polyester powdercoat, a finish that resists rusting, chipping, peeling and fading. A wide range of standard, optional and custom colors are available. Marneaux is available in eleven standard colors as well as custom colors. Call for color samples.

To Specify:

Select Stainless Steel, Catena (round or square), Steelhead (solid or perforated), or Marneaux tabletop style, table shape, size dimensions; select metal table top powdercoat color, or solid surface color. Specify support choice, embedded, freestanding, surface mount, or quad, and support powdercoat color.

Metal is the world's most recycled material and is fully recyclable. Powdercoat finish on metal parts contains no heavy metals, is HAPS-free and has extremely low VOCs. Consult our website for recycled content for this product.
