Tuuci Sunbrella® High Performance Umbrella Fabric

Tuuci Sunbrella® high performance textiles are engineered for durability, colorfastness and resistance to mold and mildew. Designed to withstand sun, salt and changing weather, these marine-grade solution-dyed fabrics maintain their strength and appearance in demanding environments. A broad palette of standard color options is available.

Tuuci Powdercoats & Aluma-TEAK™

Tuuci powdercoats are durable, marine-grade finishes engineered to resist fading, corrosion and environmental wear. Tuuci's exclusive Aluma-TEAK™ finish combines the natural beauty of teak with the strength and endurance of aluminum, delivering a warm wood appearance and exceptional resistance to UV degradation with minimal maintenance. Both Tuuci powdercoat and Aluma-TEAK finishes are offered in a wide range of standard color options.
