wellspring™

Wellspring is handsome teak furniture with subtle design features that make it easy to sit, settle, reach and rise. The collection is one of a kind, created for restful outdoor spaces.

Wellspring includes a dining table, chairs, bench, litter receptacle and side table designed to address the special needs of the retired and active, aging and assisted, ailing and recovering. Robust, durable commercial furniture, the collection serves equally well in other outdoor environments in which good design and exceptional comfort are prized.

## Our Purpose Is To Enrich Outdoor Spaces

We believe in the power of design and its ability to influence and elevate the quality of public space. High quality products and outstanding customer experience makes us one of the world's premier designers and manufacturers of outdoor commercial furnishings.

### Wellspring Specifications

#### Bench

The backed benches are available in 48" and 72" lengths and constructed of teak with no finish. The bench is available in a 17-1/2" seat height as well as a 19" seat height; the 19" height allows easier transfer of a person from a wheelchair and is ADA compliant. The seat portion of the bench tapers towards the back and the back portion of the bench is curved to give the bench greater ergonomic support. The back of the bench and the arms are designed to be taller for greater stability and comfort. The benches ship fully assembled with freestanding glides; optional stainless steel surface mounting kit is available.

#### Side Table

Side Table is 24" square, 25" high and constructed of teak with no finish. The taller height allows easier use while seated. The table is shipped with freestanding glides; optional stainless steel surface mounting kit is available.

To Specify

*Bench:* Select length, seat height, and freestanding or surface mount.

*Side Table:* Select freestanding or surface.
