Windmark™

Product Data Sheet

landscapeforms

Windmark is a striking chair and table collection for high-profile public/private spaces. In its scale, aesthetics and sense of fun Windmark is a perfect solution for defined spaces with special panache: resorts, outdoor restaurants, museum plazas, high-end residential settings and roof top terraces. McCurry draws inspiration from architecture, landscape, iconic furniture, history and poetry. She explains, “Like my architecture, I wanted this furniture to be contemporary with links to the past.” Its forms are derived by bending and folding material in inventive ways, a few deft strokes creating shapes that are simple but arrestingly new. Whimsical cutouts made with leading edge technology dissipate heat, shed water and add character. The combined use of aluminum and steel imparts visual lightness with structural strength and heft enough to hold the ground in the wind.

Chair

- Chairs are fabricated with cast aluminum frames and either patterned metal or wood slat seats and backs.
- Chairs may be specified with or without arms.
- Metal seat/back offered in Grass patterns.
- Custom patterns may be created for chair seat/backs.
- Steel seat and back panels may be powdercoated a second color to coordinate with metal frame.
- Chairs ship fully assembled.

Table

- Table bases are fabricated of steel and offered in strap style.
- Table top may be powdercoated a second color to coordinate with metal frame.
- All metal and wood table tops are shipped assembled to base.

Finishes

- Interior woods are finished with Landscape Forms’ exclusive LF-80 wood finish, a clear, catalyzed acrylic catalyzed acrylic lacquer.
- Exterior woods are unfinished and will weather to a soft pewter gray, requiring no future maintenance.
- Metal is finished with Landscape Forms’ proprietary Pangard II® polyester powercoat, a hard yet flexible finish that resists rusting, chipping, peeling and fading.

To Specify

- Specify Windmark Chair and select with or without arms. Choose seat panel design: Grass, custom, or wood. If wood seat is selected, specify wood type and powdercoat color for frame. Metal seat and back panels are powdercoated and a second color can be selected for the metal frame. Chairs ship fully assembled.
- Specify Windmark Table and choose powdercoat color. Tables ship fully assembled.
